

**Rural Friends/ACRE** was formed with the mission of making the voice of electric co-op consumers heard in the Texas Legislature and U.S. Congress. Rural Friends of Electric Cooperatives is the nonpartisan political action committee that supports candidates seeking election to the Texas Legislature. ACRE—the Action Committee for Rural Electrification—supports candidates for the U.S. Congress. Rural Friends and ACRE are subject to all state and federal campaign finance laws and reporting requirements.

**Membership** is strictly voluntary and consists of persons who have an interest in preserving and defending our local electric co-ops. Rural Friends/ACRE raises personal, voluntary contributions from supporters who care about our co-ops and the communities we serve.

**Contributions** go to candidates for state and federal office who have a strong commitment to good government, demonstrate support for electric co-ops and our consumer-members and share our values. Support is based on voting records on legislation affecting electric co-ops, statements on co-op issues, and historical stances on those issues.

**Joining is Easy.** Simply fill out and return this form and designate a method of payment (personal check, payroll deduction or other) to add your voice to those electric co-op leaders who are making a difference for electric co-ops in Austin and Washington, D. C.
