

TERMS AND CONDITIONS

The MidSouth Electric Co-op Rebate Program is available for residential members to complete energy efficiency projects on new or existing homes served by MidSouth Electric Co-op.

Members can apply for one rebate category per year.

Applications must be submitted within 90 days of installation with pictures and supporting documentation.

After rebate funding is depleted, all rebates will cease until new funding is acquired the following year pending board of director approval.

MidSouth Electric Co-op reserves the right to make changes to the Rebates Program without notice.
