

2023 Scholarship Application Guidelines

MidSouth Electric Co-op awards numerous scholarships worth \$1,000.00 each year to area high school seniors who are members of MidSouth EC. The money that funds our scholarship program comes from unclaimed capital credits that are returned to us each year by the State of Texas.

ELIGIBILITY:

- Parent or Legal Guardian must be a MidSouth Electric Co-op member or current MidSouth EC employee.
- Student must be living with the Parent or Legal Guardian whose permanent residence is in the MidSouth Electric Co-op Service Territory.
- Student must be a 2023 graduating senior entering a College, University, Trade or Technical School.

REQUIREMENTS:

- Completed application (no resumes) with the following attachments:
- Student's official transcript signed by a school official, certified with the school seal and converted to a 4.0 scale. Transcript must also show SAT/ACT scores.
- Brief statement by Counselor regarding applicant or three letters of recommendation from School Officials or Teachers can also be accepted.
- Brief Essay (1-2 pages) detailing, "Why I should receive this scholarship".
- Graduation/High Quality Photo – Headshot to be used for newspaper and magazine publication.

Students not attending school within one year from the date of the scholarship will forfeit the scholarship funds. Any scholarship applications that are not complete with all required documents will be disqualified.

APPLICATION SUBMISSION:

All applications must be submitted online at www.midsouthelectric.com/scholarships by March 30, 2023. For additional information, please contact Stacey Forgason by e-mail at sforgason@mselectric.com.
